To All Members of the BC Coastal Soccer League

The BC Coastal Soccer League (BCCSL) regrets to announce that Matt Holbrook as resigned from his position as League Manager, effective immediately. The Board would like to thank Matt for his contributions to the League since its inception, and wish him well on his future endeavors. The Board is also pleased to announce that Andrea Laycock will takeover as interim League Manager until the conclusion of the 2022-23 BCCSL season and 2023 Coastal Cup.

The Board will begin the search for a new League Manager immediately.

The 2022-23 BCCSL season has been a challenging one for all involved, both on and off the field. While we all welcomed a return to some normalcy after the last few pandemic-impacted seasons, the Board is well aware that the League has not delivered on the expectations of our member districts, clubs, teams, players and coaches. We know that we must do better, and we are committed to doing so. We will learn from the experience of the last season; and use this change as an opportunity to improve in our effort to provide a quality competition and a positive soccer experience for all involved in our League.

Further information on the League Cup finals and the remainder of Coastal Cup play will be released shortly. The Board appreciates everyone's patience.

Respectfully,
BC Coastal Soccer League

Scott Fletcher
Chairperson
