- iii. Teams must supply a completed "Official Team Roster for Coastal Cup" to their CC Coordinator before their first playdown game. This will include a team roster and a list of the team officials with the Head Coach's coaching certification.

#### b. Team Officials

If the Head Coach is not available for a game, a replacement Acting Head Coach with appropriate qualifications must be appointed and present.

- iii. A player currently under suspension and seeking a transfer is not eligible to play until the suspension has been served.

- iv. A transferred player is not eligible to play for the new team in any Cup Competition in which the player has already competed during the current playing season. Playing in Girls B Cup qualifying play and Boys B Cup in-district qualifiers does not cup-tie players for Coastal Cup.

**d. Player Permits**

- i. Teams competing in the Coastal Cup may use players playing on a Coastal Cup Permit form, subject to rules following. **PLEASE NOTE THESE RULES MAY DIFFER FROM ANY LEAGUE'S RULES.**
- ii. A team may permit up to three BC Soccer registered players to bring their roster up to the number of players on the team's affiliation form for the current season, or up to a maximum of 16, whichever is lower. However, teams may not permit players to replace players under suspension.
- iii. The purpose of permits is only to allow teams to have enough players to compete in the Coastal Cup. Teams are not allowed to strengthen their roster by dropping players to pick up stronger ones. Any team attempting to release a player from their roster to make room for a permitted player will face disciplinary action.
- iv. Players may be permitted from teams playing at a lower calibre of play at the same or lower age, OR the same or lower calibre of play at a lower age level. For Coastal Cup permit purposes, the 'calibre of play' is based on the division a team was playing on December 1<sup>st</sup>. In number-based leagues, all 'Div. 1' divisions are considered one calibre, all 'Div. 2' is one calibre and all 'Div. 3' is one calibre, etc. Similarly in Gold/Silver/Bronze leagues, all Gold divisions are considered one calibre, all Silver divisions are one calibre and all Bronze are one calibre.
- v. Team may only permit players whose own team has already been eliminated from or did not qualify for Coastal Cup play.
- vi. Coastal A Cup teams may only permit players registered with other teams in their district.
- vii. Coastal B Cup teams may only permit players registered with other teams in their club. The only exception is if a club does not operate any other team in a lower calibre at the age/gender, the club, with district approval, can apply for permission from the Coastal Cup Committee for its B Cup team to be allowed to permit from teams of another club in its district.
- viii. Out of district players, suspended players and players registered to U12 or younger teams may not be permitted.
- ix. A permitted player's own team for clauses iv-vii shall be the team the player was registered with for the winter season.
- x. Permits are only valid if they have received district approval. Completed forms must be submitted to the Coastal Cup Manager no later than 48 hours prior to the start of the match.
- xi. ID cards must be provided for all players. Team officials are responsible for obtaining ID cards for all permitted players.

**e. Uniforms**

- i. Teams participating in Coastal Cup Championships are required to have two complete sets of uniforms of different colors for all Cup games to avoid colour conflict. The team listed as the home team will be required to change uniforms in the case of a colour conflict.

**5) Game Rules**

**a. Fields**

- i. The minimum dimensions for all games shall be the FIFA minimum standard: 90 metres by 45 metres. Fields larger than the minimum are recommended for older age groups.

**b. Ball Size**

- i. A regulation Size 5 soccer ball shall be used in all games Under 13 through Under 18.

**c. Duration of Play**

- i. All games will be played to regulation time.
- ii. In the event that teams are still tied at the end of regulation time the teams will play two equal halves of extra time. There shall be no break at half time of extra time. BC Soccer regulations for the duration of games and extra time periods for all Coastal Cup games are:

<u>Divisions</u>	<u>Regulation Time</u>	<u>Extra Time</u>
U17 and U18	2 halves of 45 minutes	2 halves of 15 minutes
U15 and U16	2 halves of 40 minutes	2 halves of 10 minutes
U14 and U13	2 halves of 35 minutes	2 halves of 10 minutes

- iii. In the event that the teams are still tied at the end of extra time, the winner shall be decided by the taking of kicks from the penalty mark, in accordance with the FIFA/IFAB Laws of the Game.

**d. Substitutions**

- i. Unlimited substitutions shall be allowed in all Coastal Cup games.
- ii. Substitutions shall be made during a stoppage in the game, with the referee's consent.

**6) Competition Rules**

**a. Format**

- i. Teams will play down in a single-game knockout format to two finalists who meet in the Coastal Cup Finals.

**b. Draw and A Cup Seeding**

- i. Coastal Cup Draws will be held on a date(s) determined by the Coastal Cup Committee each year
- ii. The Coastal A Cup draws will be based on the Metro Division of the BCCSL (M-CSL) and Vancouver Island Premier League (VIPL) standings/playdowns. Seeding is applied as part of the cup draw format, based on seedings supplied by leagues. For U14 – U18 (at which ages VIPL operates), two teams from VIPL will enter in the round of 16, and will play each other. The winner of this game takes the #2 seed position. Seedings #1, #3 and #4 are awarded to the top three M-CSL teams. For U13, at which there are no VIPL divisions, the top 4 teams in final M-CSL league standings are seeded in the draw. At all ages, teams seeded 1 and 4 are on one side and teams seeded 2 and 3 on the opposite side. Seeded teams have a home game until they play against a higher-seeded team and seeded teams have priority (in order) for any byes in the first round. All other teams entered in the competition are then drawn at random into the open slots for their particular age group.

Seedings determine the format of the draw only. Once the draw is made, games follow the brackets as drawn, and are not revised depending on any seeded teams' results.

For seedings calculation, should the highest-placed M-CSL teams declare for the BC Premier Cup, the next highest-placed M-CSL teams entering A Cup will be given the seeded places.

- iii. Coastal B Cup will not be seeded.
- iv. Districts may send a representative to the draw meeting.
- v. It is Districts' responsibility to confirm their teams are registered for the regional draw.
- vi. Teams not entered at the draw will not be allowed in at a later date.
- vii. Districts not represented at the draw will forfeit their right to changes to the play down schedule once published.

**c. Scheduling requirements**

- i. The scheduling of fields for all Coastal Cup games except the finals is the responsibility of the home team's district scheduler. Field information and game time shall be given to the Coastal Cup Coordinators for posting on the Coastal Cup website as early in the week as possible, but at the latest by the Wednesday preceding the game.
- ii. When two teams normally play their league games on different days (i.e., Friday, Saturday or Sunday) it shall be the home team's prerogative to determine on which of these days their home game is played. When the two teams play league games on the same day, games will be played on that day. All playdown games involving teams travelling to or from the Sunshine Coast or Vancouver Island shall be on Saturday or Sunday, with kick-off between 12pm and 5:00pm. Friday night game times are subject to approval by the Coastal Cup Committee.
- iii. If the home team is unable to provide a suitable venue by the required deadline agreed upon by the districts, the Coastal Cup Committee has the right to determine that the away team shall become the home team. Its district scheduler is then responsible for providing a suitable venue within 48 hours.
- iv. If games are to be played on artificial turf, teams shall be notified prior to the game.
- v. Any team unable to fulfill a scheduled play down game shall give the district scheduler a minimum 48 hours' notice, in writing, stating the causes for same. Such cases are to be satisfactory to the Coastal Cup Committee.
- vi. Any team unable to fulfill a scheduled play down game without just cause shall forfeit the game to its opponents.
- vii. Extensions to play-off round completion deadlines will not be permitted; each round of competition shall be completed by the scheduled weekend.
- viii. Failure to fulfill a commitment (scheduled game) in this competition can result in disciplinary action.
- ix. Coastal Cup games have priority over all other competitions and tournaments. Teams shall play games as scheduled by the home district unless changes are approved by the Coastal Cup Committee.
- x. In the event of inclement weather, the home district scheduler is responsible for informing participating teams whether any field is playable or not. If inclement weather should necessitate grounds and/or playing date changes, it is the prerogative of the home scheduler to schedule such changes, in liaison with the Coastal Cup Manager.
- xi. Rescheduling: In the event of a successful protest, or due to inclement weather, the home district scheduler may need to schedule games during a recognized holiday period. While every effort will be made to avoid the need to schedule games during this time, this may be necessary to meet scheduling deadlines. Failure on the part of any team to meet a scheduled regional play down game commitment can result in forfeiture of the game.

**d. Official Team Roster**

- i. For each qualifying round game, each team must provide two completed copies of the Coastal Cup Official Team Roster, one for the referee and one for their opponent, before each game. This form will be available February 15 on the Coastal Cup website.

- iii. Use of unregistered referees will result in a fine to the district. See page 13.
- iv. If a referee fails to attend the game shall be rescheduled, except if both coaches agree to a replacement referee and indicated such agreement by signing the game sheet prior to the commencement of the game. Such signatures will obviate any protest resulting from this section
- v. In the case of registered referee assistants not being available, each side will appoint a person to run the line. Acceptance of non-registered officials must be noted on the team lists and initialled by both coaches. This signature represents the agreement of all parties to these persons and will prevent any protest based on this section.
- vi. Centre Referees must be a minimum of 2 years older than the players and must have at least 2 years' experience as a Youth or higher level referee. Referee assistants must be the same age or older than the players and hold a Youth level referee certification or higher.
- ix. No Referee or assistant may officiate a game in which an immediate relative is participating. If a referee has been assigned to a game with a relative playing/team official, he/she should refuse to accept the game.
- x. If the Referee is not able to finish officiating a game the first assistant referee will take over. The first assistant must be the same age or older than the players.
- xi. If not already done so the Referee shall explain to both teams any extraordinary play off rules prior to the game, so that there is no question as to the duration of the game, the size of the ball to be used, substitution rules, overtime regulations, and what happens in the event penalty-kicks will be used to decide the winner.
