RE: SCHEDULE UPDATES

JANUARY 19, 2021

BCCSL Members,

I wanted to take this opportunity to update you on a few scheduling items. As you know, we are under the current PHO order of not being able to play games, and we are anxiously awaiting further information when the current order expires on February 5.

If we are allowed to open up to play within health boundaries, we have a schedule ready to go, and will work with our members district/club schedulers to get back on the field ASAP. Ideally, things will open up fully to unrestricted lower mainland play, but we don't yet know if or when this will be possible. We recognize it has been trying times, and the scheduling restrictions have not made things easy for all of you on the field.

As for Coastal Cup play, as we continue to deal with the pandemic and follow the orders of the Provincial Health Authority, we will follow suit for any cup play that will possibly occur. We are making tentative plans for possible situations and will be ready to go once any changes in health orders occur, or when we receive further information from BC Soccer regarding the status of Coastal and Provincial Cup play.

We thank you for your patience during this trying time, and hope you are staying safe.

Regards,

Matt Holbrook
