

COASTAL CUP AND U14 GAME DURATION

In November 2022 BC Soccer made a number of rule changes, one of which was a change in the game duration for the U14 age group. The change saw the U14 age group go from 2-35 minute halves to 2-40 minute halves. Because this change occurred mid-season the BC Coastal Soccer League made the decision to leave the duration of the game at 2-35 minute halves and implement the 2-40 minute halves for the 2023-24 season. For Coastal Cup play which resumes this week, all U14 games will be 2-35 minute halves.

We apologize for any confusion this may cause you and your clubs.
